

**PRESTON-EASTIN**

Positioners for Productivity since 1972

# AWS Tulsa Section Presents: Preston Eastin Shop Tour

**TUESDAY SEPT. 18TH @ 6P.M. 9490 N. RIDGEWAY ST. TULSA, OK 74131**

You are invited to join the Tulsa Section of the American Welding Society for a visit to the local Preston Eastin facility. Preston Eastin designs and manufactures a complete line of manual, powered, and robotic positioning systems and equipment.

The visit will include an informative session to discover all of the solutions Preston Eastin has to offer, as well as a tour of their state of the art facility.

## **Pizza and Beer will be provided**

(Beer will be provided to those 21 and over, so bring your ID)

(There will be other beverages for those under 21)

**Please bring a pair of safety glasses for the tour.**
