***Our speaker for the evening will be Bill Ward with Superior Pipeline Company.*** Bill is the Vice President of Gas Supply and Business Development and has been with Superior for 6 years. Before Bill joined Superior in 2008, he completed a 10-year career with Devon Gas Services serving as director of business development, central region, and manager of gas marketing for the Rocky Mountain, Gulf Coast and West Texas regions. From 1993-1998, he was manager of intrastate gathering and storage for Burlington Resources. He serves as an executive board member with the Gas Processors Association and board member on the Texas Intrastate Pipeline Association. Ward earned a BBA degree from Sam Houston State University and further studies in petroleum land management from the University of Houston with advance studies at the Harvard Business School – Executive Negotiations Program and the University Of Oklahoma School Of Business – Executive Energy Management Program.

***We would like to thank Midwestern*** for sponsoring the April meeting! Since 1953, Midwestern has served the industry with innovative pipeline products and equipment. We design and manufacture sidebooms ranging from 10,000 to 230,000 lb. capacities for all types of tractors and pipeline projects on every continent. From pipe-laying equipment to comprehensive pipeline products, no company is better equipped to exceed your expectations. Visit their website at [www.midwesternpipeline.com](http://www.midwesternpipeline.com) or [www.sidebooms.com](http://www.sidebooms.com)
