

The Pipe Liners Club of Tulsa – 2021 Scholarship

The Pipe Liners Club of Tulsa is an organization that promotes the advancement of pipeline engineering, maintenance, and operation practices for the mutual benefit of the members and the industry.

The Pipe Liners Club of Tulsa, by means of a scholarship committee and board of directors, awards annual scholarships to selected collegiate students. The scholarships awarded are comprised of a portion of the assessed dues to the club, donations, and funds raised during the fiscal year. The Board of Directors will determine the amount and number of scholarships granted each fiscal year, while maintaining a fund corpus minimum of \$4,000.00. The Scholarship Committee is composed of a minimum of three (3) members appointed by the President.

The Scholarship Committee will review all applications and make awards, based on merit and the student's finances, to those students whose academic and extra-curricular activities show promise, a desire to succeed, a commitment to make a positive contribution to others, and whose application substantiates minimum requirements below.
